Being Part of Community Associations Institute

For over 40 years, the Dallas Fort Worth Chapter of Community Associations Institute has provided information and education to HOA leaders and the professionals who assist them. Uniquely, Community Associations are volunteer-governed and membership driven, so while leaders and professionals have many of the same concerns other property managers face, their approach is very different.

No two communities are alike.

The members of the DFW Chapter represent some of the very best in the field. Our distinguished members have earned individual national recognition for their leadership. The Chapter, through the dedicated efforts of our volunteers, has been recognized 17 times with national awards.

Long-standing membership, an inclusive approach, and constantly striving for perfection are the hallmarks of our Chapter, and the wonderful, diverse group of people who have chosen DFW CAI as a place to network, learn, and grow.

The DFW Chapter is chartered under CAI National. When you join CAI, you actually join CAI National and your membership is shared with the local office that you designate. CAI National sets the membership rates; there is no "local only" membership rate.

Each category of membership receives different benefits from CAI National. Aside from CAI National benefits, the local chapter provides benefits to membership categories, as well.

How Do I Submit An Article?

The DFW Chapter welcomes articles! If you have an article that you believe would be important to our membership, you can send it directly to the DFW Chapter by e-mailing office@dfwcai.org.

Articles can range anywhere from 700 words to several thousand words. We prefer that they be submitted in Word format. If you have pictures that accompany the article, please send them as attachments instead of inside the body of the article.

Articles should be informative in nature. You are welcome to provide a brief bio about the speaker, your company or community, along with contact information for inclusion at the end of the article.

Articles and advertisements are accepted until the middle of the month prior to publication. Contact is produced every quarter, in March, June, September, and December, so we would need your article or advertisement no later than February 15, May 15, August 15, and November 15 to ensure inclusion in the upcoming magazine.

Contact is mailed to over 700+ active members each quarter. The online edition is available on our website, and mailed to our entire mailing list of nearly 2,000 contacts.

The DFW Chapter hosts a number of events designed to provide quality educational programming for our members. We will meet the 2nd Wednesday of January, March, May, August, October, and December. Registration opens at 11:15am, lunch is available at 11:30am and the keynote presentation begins promptly at Noon.

How Do I Become A Presenter?

Programs for the Chapter are usually scheduled a year in advance; however, we do have program openings for our special events and Expo and Trade Show. If you would like to present, please send an outline and speaker bio to office@dfwcai.org. If the presentation has been offered elsewhere, please let us know where and when. All presentations must be an hour in length. Self or company promotion is strictly prohibited. All presentations must be educational and general in nature and must not highlight any one particular company, product, or service. If you have special audio or visual requirements, please let the Chapter know. The Chapter automatically provides a laptop, projector, podium and microphone to all scheduled speakers.

What Is The Vendor's Venue Table?

At every luncheon, we have a Vendor's Venue Table. This table is a place for our active members in attendance at luncheons to put their promotional materials, business cards, stress balls, and other items. Attendees are encouraged to visit the Vendor Venue Table during registration and after the event ends. There is no additional cost to place items on the table. Please take all remaining materials with you at the end of the luncheon; the chapter office will not retain leftover materials.
